

JOB RESPONSIBILITIES

Communicates and coordinates resident care and changes in status with other caregivers

Attends to the physical, psychosocial, cultural and spiritual needs of the residents by performing direct and indirect patient care (i.e. bathing, feeding, toileting, vitals, etc.)

Participates in the development, implementation and evaluation of residents' care plans and assists physicians/nurses with treatments and procedures

REQUIREMENTS

Fulfillment of federal and individual state requirements for employment as a nursing assistant

NURSE AIDE

The certified nursing assistant (State-Tested Nursing Assistant in Ohio; STNA) provides basic resident care under the supervision of a licensed nurse and assists in the maintenance of the unit environment.

Qualified candidates with a STNA certification are eligible to receive up to a \$1,000 sign-on bonus! No experience required.

Aultman will also pay for any qualified candidates to earn their STNA certification (if certification is required for the job). Apply to learn more about this opportunity!
